Extension: Rule 17Ab2-1, Form CA-1

SEC File No. 270-203, OMB Control No. 3235-0195

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information provided for Rule 17Ab2-1 (17 CFR 240.17Ab2-1) and Form CA-1: Registration of Clearing Agencies (17 CFR 249b.200) under the Securities Exchange Act of 1934 ("Exchange Act") (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17Ab2-1 and Form CA-1 require clearing agencies to register with the Commission and to meet certain requirements with regard to, among other things, the clearing agency's organization, capacities, and rules. The information is collected from the clearing agency upon the initial application for registration on Form CA-1. Thereafter, information is collected by amendment to the initial Form CA-1 when material changes in circumstances necessitate modification of the information previously provided to the Commission.

The Commission uses the information disclosed on Form CA-1 to (i) determine whether an applicant meets the standards for registration set forth in Section 17A of the Exchange Act, (ii) enforce compliance with the Exchange Act's registration requirement, and (iii) provide information about specific registered clearing agencies for compliance and investigatory purposes. Without Rule 17Ab2-1, the Commission could not perform these duties as statutorily required.

The Commission staff estimates that each initial Form CA-1 requires approximately 130 hours to complete and submit for approval. This burden is composed primarily of a one-time reporting burden that reflects the applicant's staff time (i.e. internal labor costs) to prepare and submit the Form to the Commission. Hours required for amendments to Form CA-1 that must be submitted to the Commission in

connection with material changes to the initial CA-1 can vary, depending upon the nature and extent of the amendment. Since the Commission only receives an average of one submission per year, the aggregate annual burden associated with compliance with Rule 17Ab2-1 and Form CA-1 is 130 hours. The main cost to respondents is associated with generating, maintaining, and providing the information sought by Form CA-1. The external costs associated with such activities include fees charged by outside lawyers and accountants to assist the registrant collect and prepare the information sought by the form (though such consultations are not required by the Commission) and are estimated to be approximately \$19,029. The rule and form do not involve the collection of confidential information.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
